## Job Layout Sketch

### Instructions for completing your sketch:

- All measurements to be included in millimetres
- Mark all exposed edges that require polishing with an X
- Mark areas abutting a splashback with an O
- Mark edges requiring waterfall ends with a W (if applicable)
- Indicate sink and hotplate positions
- Indicate overhangs (such as breakfast bars) with a dotted line and include the measurement

# Request for Estimate

Sketch:

Once you have completed the form and sketch, please submit to [admin@tdrstone.com.au](mailto:admin@tdrstone.com.au)

It is also helpful to include a clear photo of the space with your submission (if the layout is remaining the same).

We will get back to you with an estimate for your review.

If you would like to proceed, please respond via email to our estimation and we will schedule a site visit to measure and provide formal quotation.
